CITY OF JANESVILLE

Wisconsin's Park Place

There has been so much love poured into the City these past years from various groups, businesses and individuals to make Janesville a community of choice to realize life's opportunities. Janesville truly is a great place to live, work, and play. Always remember to **Love YOUR City!** Enjoy all of the great parks, recreation opportunities, and events in our City.

The front cover depicts pictures of some recent projects and partnerships in the Downtown.

- The Music at the Marv is a new partnership between Downtown Janesville Inc. and the Recreation Division to provide a 13 week concert series in Courthouse Park during the summer months.
- The Doty Mill Alley Mural is a great selfie spot located in the alley off of River Street in Downtown. The mural celebrates Janesville, both past and present. The mural coordination was an LDA Class of 2018 project.
- The Chief Black Hawk Mural in Downtown Janesville was made possible through a private donation by local resident Nigella Ryan and was painted by artist Jeff Henriquez.

CLASS DESCRIPTIONS:

Red Ball (Ages 3-6) - Using the Quick Start approach, children are taught tennis using balls that bounce lower and don't move as fast so they are easier to hit. This approach allows kids to get to the ball and helps them develop optimal swing patterns.

Orange Ball (Ages 7-8) - Children will further develop tennis strokes, groundstrokes, volleys, and the serve. We will begin adding footwork drills and point playing. Kids will use the appropriate balls and racquets.

Junior Development (Ages 9-12) - Students will refine stroke mechanics with major emphasis on improving the consistency and accuracy of groundstrokes, volleys, overheads, and learn the rules of the game.

High School Training (Ages 13-18) - This group is designed for youth entering 7th-12th grades that play or plan on playing for their high school Junior Varsity or Varsity teams. Drills become more intense and focus on strategy, point play for singles and doubles, all while working towards a Varsity level of play.

OAK HILL CHAPEL RENTAL

The City of Janesville would like to thank the Friends of Oak Hill Chapel and all of their generous donors for completing work on the Oak Hill Cemetery Chapel. This beautiful chapel is now available for rent at a rate of \$200 for four hours. If you are interested in renting the chapel, please email Ethan Lee, Parks Supervisor, at lee@ci.janesville.wi.us.

OAK HILL CEMETERY UPDATE

The City plans to improve roughly 1100' of roads within the Cemetery in the spring of 2020. This will be the second consecutive year the City has been able to budget to resurface roads within the Cemetery.

DOG THE GEESE PROGRAM

The Parks Division is looking for participants for the "Dog the Geese" program. The purpose of this program is to have trained dogs disrupt geese from roosting and becoming established in selected park areas. The City would like to discourage geese from foraging in turf areas, particularly around our bike trails, picnic areas, playgrounds, athletic fields and other areas frequented by families. We do not wish for any dog to make physical contact with the geese. Our intent is to have the dogs chase the geese into a body of water or until they would take flight and leave the park area. Please contact the Parks Division at 608-755-3025 for more information or to sign up for the program.

JOIN THE PAW PRINT PARK PACK

Are you a Paw Print Park member? Network, volunteer and improve the park by joining the Paw Print Park Pack. Scan the code, submit

your email, and get park updates, info about volunteer opportunities and a chance to make a difference with a great community resource. Paw Print Park is located on the Southside of Janesville at 2701 S Oakhill Ave.

NEW PLAYGROUND INSTALLED AT VALLEY PARK

The Parks Division completed renovation of the Valley Park, 2310 S Crosby Ave, playground in the fall of 2019 as part of the playground renovation program. The previous play structure was installed in 2000.

ZONTA PARK PLAYGROUND INSTALLATION

Zonta Park located at 1814 Hoover St is the next park on the list to receive a renovated play structure. The existing play equipment was installed in 1996 and is due for replacement.

BRIARCREST PARK PLAYGROUND RENOVATION

Briarcrest Park located at 3101 Sandhill Dr is coming due for a replacement play structure and the Parks Division is hopeful that a new structure will be installed in 2020. If you are a neighbor or user of Briarcrest Park and have ideas you would like to share, please send an email to lee@ci.janesville.wi.us.

SANDSTONE PARK UPDATE

In the fall of 2019 the Parks Division started work on development of Sandstone Park located at 4399 Sandstone Dr. Work that was completed included: Playground installation, tree planting, and rough grading. Starting in the spring of 2020 the Parks Division plans to complete the playground installation, creation of a walking path, final grading, and seeding of the park.

ANGLERS PARK

Angler's Park is located within Monterey Park near the dead end of S Washington St. In 2019 the City Council passed a vote to name this section of Monterey Park to highlight one of the major uses of this section of the park, angling.

3901 RUGER AVENUE

The City of Janesville acquired the roughly 17 acre parcel of new park land, located just west of the N Wuthering Hills Drive intersection. Future use of this site includes the expansion of a neighboring prairie area, walking paths, and potentially play pods along the walking path. Development of this area could start as soon as the spring of 2020. The City of Janesville would like to thank the Naatz family for generously donating this property to the community.

PARTNERSHIP PROJECT SPOTLIGHT

TRAXLER PARK MEDAL OF HONOR WALKWAY - EAGLE SCOUT PROJECT

In August of 2019 Kyle Warda, Eagle Scout, in conjunction with the Janesville Patriotic Society completed a major landscaping project on the Medal of Honor Walkway in Veterans Plaza at Traxler Park. The project featured the installation of 30 cubic yards of landscape stone and 123 plants. The City of Janesville would like to extend a very special thank you to Kyle and the Patriotic Society for completing such a great enhancement to Traxler Park and Medal of Honor Walkway.

PRAIRIE RESTORATION

Over the past ten years a dedicated group of community members has worked tirelessly to restore a section of remnant prairie on a hillside paralleling the bike trail to the north of Ruger Ave and west of N Wuthering Hills Dr. The group hosts a fall invasive removal gathering in October every year which has added up to nearly a half mile of clearing between N Wuthering Hills Dr and N Wright Rd. The groups efforts have helped to create one of the nicest prairie restorations in southern Wisconsin.
